Attention: Providers Who Bank With Wachovia/ South Trust

As you are aware, South Trust recently became Wachovia bank. Everyone with current South Trust bank account numbers were assigned new account numbers. Although Wachovia has agreed to accept either account number for an unspecified period of time, they have advised companies that utilize electronic funds transfer to send information to their customers to update the account numbers to reflect the Wachovia information. If you are not aware of your new account number with Wachovia, please contact your local financial institution.

EDS is in the process of updating all our provider records from the South Trust account information to the Wachovia information. We anticipate having this completed by December 18, 2005.

If you have any questions, please contact EDS Provider Enrollment at 888-223-3630.
